Truth contained in QAnon

This documentary contains truth, such as:

- Child sacrifice still occurs.
- Satanists do exist.
- The pope and the Roman Catholic Church are involved in child abuse and cover ups.
- Organised religion sadly has been misused and still is involved in bad things.
- Q drops are being given by the Q Continuum, an alternate dimension that has access to time travel.
- A leader who was dead may well be pronounced alive (John John Kennedy).
- Mass arrests of the current elite may happen.
- World peace will follow.

Falsehood contained in QAnon

Besides the truth, some of which has been listed above, here is more information that is absolutely vital to understand the full picture of what is currently happening:

Religious corruption before the coming of the Messiah is foretold in the New Testament

“But mark this: There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive, disobedient to their parents, ungrateful, unholy, without love, unforgiving, slanderous, without self-control, brutal, not lovers of the good, treacherous, rash, conceited, lovers of pleasure rather than lovers of God— having a form of godliness but denying its power. Have nothing to do with such people.”

(2 Timothy 3:1-5)

Religious corruption is caused by those who have a “form of godliness but deny its power.” It can be avoided by going back to the source of Christianity, the Bible and Jesus Christ himself. If we want to have clean water we need to go to the beginning of the river. As a follower of Jesus Christ as the Bible describes him, we find the following additional truth:

The world peace that soon follows is not the end but the beginning of the ultimate destruction according to this passage from the New Testament:

“Now, brothers and sisters, about times and dates we do not need to write to you, for you know very well that the day of the Lord will come like a thief in the night. While people are saying, “Peace and safety,” destruction will come on them suddenly, as labour pains on a pregnant woman, and they will not escape.”

(1 Thessalonians 5:1-3. The Old Testament contains a similar prediction in Jeremiah 6:14)

It is a grave mistake to think peace can be achieved without Jesus who is also known as the Prince of Peace! The very first sin recorded in the Bible was exactly based on the same deception that humans can be like God, not needing him. (Genesis 3)

Here are more details of what is going to happen according to the Bible:

Besides being an instruction book on how to live, 26.8% of the Bible tell the attentive reader also what is going to happen in the future. While Christian commentators differ with regards to details, they all agree on the second coming of Jesus and on the final day of judgement that follows.

Many Bible scholars also believe that the Bible foretells the establishment of a new world order with a global religion and a global government shortly before the return of Jesus Christ. Until recently people were asking as to how this would be allowed to happen. One of the reasons for such a centralised rule could be that a global problem of such magnitude, as is currently being presented by the Covid-19 virus, can only be solved globally. The widespread social and financial devastation is unprecedented. Therefore, the demand for a world government has already been made by former British Prime Minister Gordon Brown.

There is another prophecy that says one day everyone will be forced into a cashless payment system through some kind of chip implanted in the forehead or on the hand.⁴⁰ Since the virus can survive especially on coins but also on bank notes this could yet be another reason to move away from cash. Whereas the Israeli Jewish Health Minister's Cure for COVID-19 is the Messiah, many others put their trust mainly in a new vaccine against it.

Some think that newly developed "Quantum Tattoo" technology could be used to vaccinate every person worldwide, to monitor vaccinations and those who refuse the vaccine, to enable the use of digital currency and to give an identity to everyone at the same time. The establishment of 5G, a new generation of wireless communication, could provide a platform to put all these ambitious plans into practice soon.

The Q Continuum, in reality is Satan with his fallen angels who are indeed in an alternate dimension. Since Adam and Eve, he has cast doubt on the word of God and mixed truth with falsehood. That 10-part documentary, "The Fall of the Cabal" by Janet Ossebaard and the many "Anons", is yet another example of his crafty strategy. Please do not fall for his deception which is spoken about here in the New Testament:

*"And no wonder, for Satan himself masquerades as an angel of light. It is not surprising, then, if his servants also masquerade as servants of righteousness. Their end will be what their actions deserve."
(2 Corinthians 11:14-15)*

It is horrible to see how Satan first appears to be the one who orchestrates world peace as an "angel of light" but then turns on his own followers to oppress them even more than they were before. Jesus Christ, the promised Messiah will then bring about judgement and justice by his second coming. Please watch that short video here to see how to prepare for it. It describes how to escape the evil one and be saved:
